WOMEN'S KAIROS
COOKIES AND CARDS

On April 26-29, the Women's Kairos Prison Weekend will be held and we have the opportunity to send blessings to those women in prison by sending cookies, cards, and prayers. The cookies should not be rolled in powdered sugar or contain fruit or nuts. Cookies should be 2 inches in size and wrapped by the dozen and stacked similar to Ritz crackers to cut down on breakage. If you need recipes for the cookies, please contact Jan Rozell. They are accepting store bought cookies in their original packaging, also without powdered sugar, fruits or nuts. The ladies love the Kellogg Rice Krispie Treats that are sold in the store and Oreos are also a favorite. A box marked Kairos will be in the church workroom to put your wrapped cookies in. **Cookies should be delivered to church no later than noon on or before April 23.**

We will also support the Kairos weekends by sending cards. A Kairos box will be by the Trinity mailboxes in the preschool hallway and a Kairos mailbox will be located in the Fellowship Hallway by the elevator. Please write words of encouragement and include only your first name when signing the cards. Please do not seal the envelopes or place any inserts inside of the cards.

Because of the cost per inmate to provide these weekends, we will be taking monetary donations for the weekends. We appreciate anyway you might help with this mission.

Please pray for everyone attending that all involved will be touched by the Holy Spirit.

Thank you for your continued support of the Kairos Mission.

THANK YOU!

A big thank you to all who helped with the Journey set-up, presentations, and take-down and all the cast and behind the scenes' crew that made it possible. The best news is that from our prayer team and response cards, there were several salvations and numerous rededications. Of 850 plus guests, 512 were first-timers. We did 21 walk-thrus in 4 days, averaging 41 guests on each one. The largest walk-thru had 78; the least 15. Eighteen of the walk-thrus had 35 or more.

Guests' comments reflected they were amazed and "wowed" by this event. One lady said she just learned about it two weeks earlier and wished she'd known about it years earlier. Another came back this year and brought her son's Sunday School class and their families. A 9 or 10 year old girl pulled my sleeve in the Marketplace. I turned around; she said, "Thank you for making this possible." I told her it wasn't just me, but more than 200 others who made this possible and that God was the one who orchestrated the story for us to use. The lady and two other girls she was with just gave a big grin. And with the new marketplace flashback scene, you could have heard a pin drop; it got so quiet when it began. I, too, say, "Wow" and thank you. Praise the Lord for all you all have done and for what He has done through it. We are all blessed by this Easter story we call the Journey to the Resurrection.
