Capital Improvement Project Update

While everyone is worshiping together the next five weeks in the sanctuary, we will continue our planned Capital Improvement Project of updating the Fellowship Hall, Serving Area & Family Room. We are removing wallpaper and painting walls & trim, along with updating the window coverings. Please avoid these areas during the construction period and allow the workers the opportunity to complete this project. Please be aware some meeting spaces may change daily based on the project’s progression.

The week of July 4th please avoid the 1st floor Education Wing / Preschool as we strip, seal & wax the tile floors. The hallway and classrooms along with two-year room will be barricaded during this project. We will move the mailboxes into the foyer for communication needs.

We appreciate your understanding with disruptions during this timeframe.

David Ford – Facilities Manager / Project Manager

You did it! You stepped up and met the challenge! A generous \$20,000 gift was issued as a matching challenge for the roof repair fundraiser, and you exceeded that amount in two months! This puts us halfway to our \$80,000 goal.
